2014 Hyde Vineyard Semillon

Our Semillon is sourced from the 160+ acre Hyde Vineyard located in the Carneros AVA, the southernmost sub-appellation of Napa Valley. The property, a mix of shallow loamy soils & ancient stream beds, is influenced by the fog and cool breezes of San Francisco Bay. Amongst the gently rolling hills of Hyde Vineyard our single row of 150 thirty five year old vines, originally part of a much larger block of Semillon, is situated mid slope above Congress Creek which defines most of the eastern boundary of Hyde Vineyard. It has been mentioned that this single row of Semillon vines used to produce our 2014 Hyde Vineyard Semillon owes its existence to patriarch Larry Hyde's love of the varietal and for that we thank him!!

Light honey in color with wonderful similarities to the 2013 Hyde Semillon. The 2014 Hyde Semillon exhibits aromas of crisp lemongrass and honeysuckle with flavors of stone fruit, with a slightly fuller mid-palate than the previous year. The wine is wonderfully balanced with crisp acidity that provides for a seamless and complete finish.

Technical Specifications

VINTAGE:
2014

PH:
3.50

VARIETAL:
Semillon

FERMENTATION:
Barrel Fermented; No Malolactic Fermentation

APPELLATION:
Carneros - Napa

BARREL AGING:
3 months

CASE PRODUCTION:
56 cases

BARREL COMPOSITION:
50% Stainless Steel; 50% Neutral Burgundian Oak

ALCOHOL CONTENT:
14.10%
