## **Dr Stan's Vineyard Pinot Noir**

A gentlemen's vineyard of less than 1 acre of 30+ year old Pinot Noir vines planted entirely to the Dijon 115 clone. This truly old vine pinot noir vineyard on the northern edge of the Carneros Sonoma County AVA was once part of 20+ acre parcel. In the late 1980's the vineyard was subdivided into a number of residential estate parcels with many of the original vines sadly torn out and never replanted. The vines are vertically trellised and aligned northeast by southwest and create a wonderful first impression when entering the property.

The third Wonderment vintage of Dr. Stan continues to impress. Ruby Red in color, the nose reveals red fruits of raspberries and cherry with a hint of spice. This is followed by the classic Dr. Stan subtle elegance along with a hint of toasted almonds surrounded by the notable earthy layers one has come to expect from this vineyard. The creamy and fleshy texture leads to a long balanced finish. Such as with the 2012 vintage this elegant and sophisticated wine will continue to take on weight in the bottle!
