

2013 Wonderment Pinot Noir Dr. Stan's Vineyard

The 2013 Pinot Noir Dr. Stan's Vineyard, which comes from Dijon clone 115, is a relatively limited-production cuvée but unusually old-vine Pinot from the Carneros area. It spent 20 months in only used oak and displays loads of black cherries, some underbrush and earth. It is spicy, medium-bodied, and overall an excellent Pinot Noir to drink now and over the next 5-6 years.
